NinjaTrader Partners With TradingCentral

Denver, CO, June 9, 2014 – NinjaTrader, LLC, is pleased to welcome TradingCentral to its expanding ecosystem of Add-On partners. TradingCentral offers have released custom market studies as Add On indicators for the award winning NinjaTrader platform.

The TradingCentral NinjaTrader indicators were successfully launched earlier this month and already creating a buzz across the global trading community. TradingCentral is a leading investment research provider to financial market professionals. Technical analysis is the core of their business which has produced award-winning methodologies turned into quality tested indicators built for NinjaTrader. TradingCentral's professional chartists and mathematicians approach the markets with various investment styles, from intraday trading to swing trading and long term investments.

“NinjaTrader brings professional level trading features into the hands of any trader, quickly and easily” says Julien Heiderscheid, Director of global Sales and Marketing for TradingCentral. “We recommend NinjaTrader to any trader looking to bring the most powerful trading tools under their control with TradingCentral indicators and strategies.”
