

NinjaTrader Recognized as Best Trading Software in 2020

CHICAGO, IL, February 25th, 2020 - NinjaTrader, LLC, a leading provider of trading software and brokerage services, is proud to announce its recognition as a **Best Trading Software** in the 2020 Readers' Choice Awards of *Technical Analysis of Stocks & Commodities* (TASC) magazine.

NinjaTrader was selected as the Best Trading Software in the "< \$500" and "> \$1000" pricing categories while receiving accolades in six other categories including:

- Best Trading Software between \$500 - \$1000
- Institutional Platform
- Professional Platform
- Subscription Internet Analytical Platform
- Futures Brokerage
- Forex Brokerage

"We are honored to once again be recognized as a top trading platform & brokerage provider by the readers of *Technical Analysis of Stocks & Commodities*," said Martin Franchi, CEO of NinjaTrader. "As we continue to introduce user-driven enhancements to our products and services, receiving such positive feedback from the trading community validates our mission to provide traders with institutional grade tools & premium support."

This is the twelfth consecutive year NinjaTrader has been voted a premier trading platform and brokerage destination by the readers of TASC. NinjaTrader serves over 60,000 active traders, providing a best-in-class trading platform that offers advanced charting, strategy backtesting, and trade simulation.

The annual TASC Readers' Choice Awards provide subscribers the opportunity to vote for their favorite trading software, products and services. The result is a comprehensive guide to the best and most innovative trading solutions as judged by traders and market enthusiasts.
